To whom it may concern:

This is a letter of recommendation for Fortune Marketing.

Fortune Marketing was employed from July 17, 2013 to the present, to manage sales and marketing for our West Harbour project in Kelowna.

Fortune Marketing worked diligently in their role as the marketing management company. We found Fortune to be very professional and creative in their duties. At all times Fortune was easy to deal with and quickly resolved any issues that came up from time to time.

With the help of the Fortune's team, West Harbour became one the bestselling projects in the Okanagan Valley.

If the reader has any questions about Fortune Marketing and their role at West Harbour please do not hesitate to contact myself.

Sincerely,

A handwritten signature in black ink, appearing to read "SB", is written over a horizontal line.
