

FOR IMMEDIATE RELEASE:

SOUTHGATE BRINGS 19 MODERN CONDOS TO PANDOSY VILLAGE

Kelowna, BC, May 16th, 2019: It's hard not to fall in love with the new homes coming to Pandosy Village. 19 brand new condo units are set to be built this year to dignify Kelowna's most charismatic neighborhood. With one and two bedroom homes along with two premier penthouse suites, the building will feature bright modern homes with large outdoor living spaces perfect for entertaining.

Southgate offers buyers an elevated lifestyle in idyllic Pandosy Village. The area is full of family-run artisan shops, recreational activities and a laid-back community vibe. This illustrious building was designed to respect the small-town, neighbourhood feeling and is perfect for those who want a slice of tranquility along with a taste of all things modern. Spend your days on foot exploring Pandosy Village's charming shops, picnicking at Abbot Park, and paddle boarding on Okanagan Lake.

This unique structure is being built by Worman Homes, a well-established builder in Kelowna that has worked enthusiastically since 1992 to set a new standard for modern construction. Worman specializes in individuality in their projects with enduring features that you won't usually find in similar buildings.

In partnership with developer David Bakonyi of Teano Holding Ltd., this development intends to bring modern life to the bustling Pandosy area.

Finally - A home that has everything: beautiful interiors, large outdoor living spaces, and perfect location. With prices starting at \$299,900 these homes will not be on the market for long.
